

1 February 1955

General Curtis E. LeMay, USAF
Commander
Headquarters, Strategic Air Command
Offutt Air Force Base
Omaha, Nebraska

Dear General LeMay:

STAT
[redacted] has reported to me in some detail of the trip which he made to SAC just before Christmas. I am sincerely appreciative of all the courtesies which were extended to him and to his party, and I want to again assure you that we propose to give to your needs and requirements our very highest priorities. If at any time there is anything you feel that we could do over and above what we are doing to be of help to you, please let me know.

Needless to say, I would not promise that we can get all your requirements, but I can only assure you that we will not spare any effort to get the "gettable".

Faithfully yours,

Allen W. Dulles
Director
